

**From:** Festival Books  
**To:** Microsoft ATR  
**Date:** 1/8/02 3:59pm  
**Subject:** Microsoft Settlement

The proposed Microsoft settlement should NOT be approved. Microsoft obstructed and prevented fair and legal competition. The proposed settlement fails to achieve the necessary goal of a proper remedy. It fails to halt illegal conduct. It fails to promote competition in the industry. It fails to deprive Microsoft of its illegal gains.

Dr. O.F. Rothchild
